OUR GOVERNANCE STATEMENTS

FINANCIAL SUSTAINABILITY

- Deliver a balanced income portfolio to maintain an annual revenue which exceeds reserves so we can reinvest into developing our sport
- Reduce the dependency on public funding to 40% whilst maximising potential for funding to deliver on Sport Wales' and Well-being of Future Generations Act (2015) Wales' objectives
- Develop a strong commercial approach including maximising assets and creating profitable partnerships to support events, kit, participation, and performance programmes

- Develop a merchandising platform to enhance the membership offer and increase revenue
- Retain and grow a membership which values belonging to Welsh Triathlon: target 90% retention rates each month in adults and children, plus annual growth as detailed
- Ensure our strategic decisions take a managed approach to risk

ENVIRONMENTAL SUSTAINABILITY

- Demonstrate and promote sustainable methods of delivering triathlon activity & support the education of our partners in achieving sustainable practices
- Audit progress in reducing consumption of single-use items such as paper and plastics, and benchmark against best practice
- Identify, support & develop schemes to reduce & offset carbon emissions with a view to becoming 'climate positive' as an organisation by 2030

- Look to raise standards to enable sign up to national & international charters to ensure progress against sustainable objectives
- Support economic and social well-being initiatives within partnerships

11

ETHICS AND INTEGRITY DEMONSTRATED THROUGH BEHAVIOUR AND PRACTICES

- Ensure that frameworks to safeguard children, young people, and adults at risk are embedded and communicated
- 100% of clubs working towards DSW Insport Accreditation and to have a Safeguarding and Risk framework
- Demonstrate continual progress against athlete welfare objectives in line with and building on Baroness Grey Thompson's report (2017) on Duty of Care

- Maintain Standard 2 Safeguarding and build on outcomes for annual panel review
- Collaboration with British Triathlon and the Home Nations to keep people safe in our sport
- Ensure that athlete and carers education programme is integrated within the performance programme
- Attain the Sport Wales Advanced Equality and Diversity Standard

AN INCLUSIVE, SUPPORTED AND EDUCATED COMMUNITY

- Deliver a staff and key volunteer well-being framework and annual welfare week in February
- All volunteers including coaches and technical officials are to have a clear pathway of progression driving a sense of purpose and confidence
- Create a coaching framework which provides opportunities to develop throughout the triathlon pathway
- Deliver a Volunteer Strategy to enhance opportunities for development and help sustain grassroots growth across Wales

- Ensure an inclusive staff recruitment process, resourced according to strategic needs (12 FT staff by 2030 plus 3x part time regional coaches)
- Ensure all staff have clear personal development plans aligned to a Performance Development Review (PDR) aiming for positive relations with the organisation whilst adding value for ongoing career paths
- Ensuring that our Board of Directors operates and is evaluated in line with the Principles of the Governance and Leadership Framework Wales

13

INSIGHT DRIVEN DECISIONS AND COMUNICATIONS

- Gather, monitor and review data and evidence to help us understand how and why we are making a difference and to ensure learning and improvement is incorporated into future decisions
- Monitor socio-economic, demographic, and self-reported health data to measure well-being impact
- Through staff survey and Board evaluation, monitor the effectiveness of our internal communications (Board and Staff) to ensure resources are maximised

- Develop a stakeholder strategy which supports collaboration and shared learning and includes our commitment to the Welsh Language
- Ensure we communicate in a way which engages and inspires our members and reaches an inclusive audience, using data and surveys to provide insight and learning
- Use an attractive IT and website solution which enhances the participants online journey
